### **MISSION STATEMENT**

Politz Day School is a nurturing and dynamic Modern Orthodox school serving the South Jersey Jewish community. **Chanoch L'naar Al Pi Darcho - Educate Each Child According to their Way**

To recognize the individuality of every student and to provide opportunities that allow each child to grow and thrive according to their own needs and potential.

**Middot and Derech Eretz - Character Development and Appropriate Behavior**

To help our students internalize the inherent value of all people and learn the art of interacting with others in a way that befits B'nei Torah. To develop young leaders who respect others' dignity and possess a strong sense of responsibility to both the Jewish community and society as a whole.

**Torah U'Madah - Torah and General Knowledge**

To promote the belief that the acquisition of all knowledge—both Judaic and general—is of intrinsic value and is essential to the growth of our students.

**Parent-School Partnership**

To inspire parents to become active participants in their child's education, development and growth, as well as in the broader school community. To partner with parents, professionals and lay leaders to ensure the optimal education for each child.

Effective communication is the sign of a healthy school, allowing for questions and concerns to be addressed quickly and efficiently. We encourage parent involvement as we work to meet the individual needs of every student. As part of the educational process, parents, teachers, and administrators will continually assess each student's achievements and needs for support. **Please do not wait until the end of the school year to inform the administration of any problems that may arise.** The sooner the school is aware of

issues, the more quickly and appropriately we are able to address them.

### **What to Do When an Issue Arises in the Classroom**

Teachers offer a unique perspective on what goes on during the school day. It benefits our children when parents and teachers work together. It is best to ask the teacher questions about what happened and then explain how your child perceived the situation. Please follow these steps to address any concerns:

- 1) Contact your child's teacher by calling the school or by emailing the teacher at their Politz email address. *(Each teacher's email address is his / her first initial followed by his / her last name @politz.org. For example: Mrs. Karen Grossman's email address would be kgrossman@politz.org and Rabbi Simcha Fuhrman's email address would be sfuhrman@politz.org.)*
- 2) Our teachers will make every effort to respond promptly, usually **within 48 hours**. If you do not hear back from the teacher within this time frame, please email [office@politz.org](mailto:office@politz.org) and we will follow up promptly.
- 3) If, after speaking to the teacher, you still have concerns, please contact Mrs. Gordesky or Rabbi Greenwald.

**Out of respect for our teachers, please DO NOT CALL OR TEXT YOUR CHILD'S TEACHER AT HOME. Please remember to be respectful of teachers' time and privacy if you see them in a non-school setting.**

### **Email Guidelines for Parents**

- 1) Email should be used only for non-urgent matters.
- 2) Please send the email only to the individual(s) to whom the message is relevant. If you must reach someone immediately, please call the school office.
- 3) Write a short description of the issue in the subject line.
- 4) Emails should be brief and to the point.

- 5) While our goal is always to respond within 24 hours, it may take up to 48 hours for teachers or administrators to reply to emails from parents.
- 6) Both parents and teachers are required to be courteous, respectful, and professional when sending emails.

- ❖ Carpool parents: when you arrive to pick up your child, you must wait **BEHIND** the bus until it has pulled away from the entrance.
- ❖ While waiting in the carpool pickup line, please stay as far to the right as possible so that other cars may pass you.
- ❖ Your children will then be called to come out to you as soon as your car reaches the main doors of the school.

### **Late Pickups**

- ❖ If you are more than 10 minutes late picking up your child, or bring your child more than 15 minutes before the school day starts, you will be charged the per-day daycare fee (\$14 for AM Daycare and \$20 for PM Daycare). If you do not pay the fee that day, it will be added to your tuition and appear on your next invoice.

**IMPORTANT: Please arrive on time to pick up your children. We do not have the extensive teacher coverage needed for children who are picked up late.**

### ATTENDANCE

Consistent attendance in school is essential for learning. Per NJ state law, however, sick children must be kept at home. (Please refer to the “Health and Wellness” section of this handbook for more details.) If for any reason your child will be absent, please email [mkeller@politz.org](mailto:mkeller@politz.org) by 10:00am to request missed work. *We cannot guarantee classwork or homework after this time.*

#### Lateness

- ❖ If your child will be late to school, please email [office@politz.org](mailto:office@politz.org). When your child arrives at school, they must be brought to **the school office and be signed in**. They will be given a late note before heading to class.
- ❖ If your child is late due to an emergency or medical appointment, please indicate this with a medical note or email [office@politz.org](mailto:office@politz.org) and your child will be admitted with an excused lateness.

#### Family Vacations

There are a number of scheduled vacations throughout the school year. Please coordinate family trips with the school calendar. Students who miss school for extended vacations can pose significant logistical challenges and will fall behind in their classwork and homework. Students will be responsible for the classwork and tests that they miss while absent, and must make them up in a timely manner. *Our teachers are not required to give advance work or prepare makeup work, projects, or tests for vacationing students.*

### **DAYCARE POLICY**

Politz offers limited AM and PM daycare options only for families who have pre-registered. If you plan to use these services and did not indicate this on your Enrollment Contract, please contact the school immediately at [office@politz.org](mailto:office@politz.org). - ❖ Students WILL NOT be allowed to call home if they forget to bring their homework to school.
- ❖ Teachers will post all homework, tests, and long-term assignments on the ParentLocker app. Parents will be given download instructions at the beginning of the school year.
- ❖ Politz follows a homework policy. Teachers will communicate with parents after the first two instances of missed or late homework.

- ❖ Digital copies of report cards will be sent to parents via ParentLocker.
- ❖ Preschool students will receive a Mid-Year Assessment in December which will be emailed to parents via ParentLocker, and a Final Assessment in June.
- ❖ Politz reserves the right to withhold report cards and student records until tuition and all other financial obligations have been paid in full. By signing a school Enrollment Contract, you authorize the school to withhold report cards and records until all financial obligations have been met in full.

**PARENT-TEACHER CONFERENCES**

- ❖ Parent-Teacher Conferences are held in December after the first report cards have been issued.
- ❖ Reminder notices will be sent via email and all appointments must be scheduled online via ParentLocker.
- ❖ Please be on time in consideration of your child’s teachers and your fellow parents.
- ❖ If you desire a longer conference or an additional meeting with one of your child’s teachers, please contact the teacher at their Politz email address.

**SNOW / EMERGENCY CLOSINGS**

- ❖ When school must be cancelled due to inclement weather or another emergency, parents will be notified via email and text message.
- ❖ When an unanticipated snowstorm or other emergency forces us to close school mid-day, parents will be contacted via email, text, and the daytime phone number(s) listed on the family emergency section in ParentLocker.

**PARENT VOLUNTEER HOURS**

Every family is required to volunteer for 10 hours during the course of the school year. There are numerous volunteer opportunities throughout the year. Volunteer hours are based on the honor system, and parents will be given a “time sheet” to complete and submit to the office. Please check your email often for volunteer opportunities. *Families who do not fulfill their volunteer obligation will be billed in June at a rate of \$10 per hour not volunteered.*

**TUITION**

Tuition payments are an investment in your child’s Jewish education. Each family is responsible for making timely tuition payments. Tuition represents a significant portion of the school’s annual income and is

essential in funding operational expenditures and allowing us to continue the school's mission.

**Tuition Payment Plans, Payment Dates, and Invoicing**

The tuition payment period begins in August and continues through June. There are four options for tuition payment:

- 1) One-time, full, tuition payment to be received by August 31.
- 2) Two equal payments: first payment by August 31 and second payment by December 31.
- 3) Monthly payments on an 11-month schedule beginning in August and ending in June (FACTS enrollment required).
- 4) Monthly payments on a 12-month schedule beginning in August (FACTS enrollment required).

**Any changes to FACTS, such as delayed payment or alternate pay schedules, require three business days to take effect and require a \$5 fee (which will be automatically added to the next tuition payment).**

**Late Payments / Non-Payment of Tuition**

Each family is responsible for informing the Administration of their need to make any changes to their tuition payment plan or adjustments in the amount of tuition paid. Without such information, the following policy will apply to late tuition payments:

- ❖ **Invoice (one month):** Families will receive monthly 'days late' invoices beginning on the first day of the month following the late month.
- ❖ **Phone Call (two months):** Any family who fails to make two monthly payments will be called by the School Administration to determine why payments are so far behind and try to resolve the issue.
- ❖ **Meeting (two months and 10 days):** If payment is not made within 10 days of the two-month call, the Administration will again

call and ask that the parents come to the office for a meeting with the Administration and a Member of the Executive Board.

- ❖ **Notice Not to Return (three months):** If after three months a family has not made payment or has not made arrangements for payment with the office, a letter will be sent home explaining that the student(s) cannot return to school until payment arrangements have been made.
- ❖ **Child Withheld (three months plus):** If after more than three months the family has not paid tuition according to their agreement with the school, or has been unwilling to make suitable alternative arrangements with the school, their children will be withheld from class until the situation is rectified.
- ❖ Please note, we cannot release any transcripts for students that are behind in tuition payments.

### **Re-Enrollment**

- ❖ The re-enrollment period begins in January each year. A completed online enrollment contract and a **non-refundable** and **non-transferable** \$325 per child enrollment deposit are required to re-enroll each student. For families who re-enroll their children before the priority deadline, the enrollment deposit will be credited towards their tuition for the following year.
- ❖ Accurate enrollment counts are important as the school plans our staffing for the upcoming year, so we ask that families re-enroll their children in a timely manner, and inform the school if their child is not returning, or may not be returning, as soon as possible.
- ❖ Please note that the only circumstance in which Politz will refund a child's enrollment deposit is if the child is moving out of the Cherry Hill area.

**The following policies are in effect for students entering the new school year with an open balance from the prior school year.**

- ❖ Families who are not current with tuition payments by the end of the school year will not receive report cards and their children will not be promoted to the next grade unless there is a payment plan approved by the school.
- ❖ Unpaid tuition from previous school years will prevent re-enrollment unless there is a payment plan approved by the school.
- ❖ If a student transfers to another area Jewish Day School with an open tuition balance, Politz will ask the new school to withhold the student's acceptance until the tuition balance has been paid in full. Likewise, Politz expects students transferring from other schools to fully clear their prior tuition balances before enrolling at Politz.

**Refunds**

Your financial obligation to the school is for the full annual tuition as stated in the school's enrollment contract. The school cannot refund tuition or cancel unpaid obligations if your child is forced to withdraw during the academic year. Any family who wishes to withdraw their children will still be responsible for the full tuition amount on their tuition invoice.

**STUDENT ACTIVITY FEE**

There is a \$200 per-student Activity Fee for students in 2-Year Preschool through 8<sup>th</sup> Grade. This fee helps to cover the costs of classroom activities and projects, graduation ceremonies, pre-school snacks, schoolwide events such as Lag Ba'Omer Field Day and the Purim Carnival, and class-wide presentations (Siddur Play, Chumash Play, Gemara Presentation, etc.). There will be an \$800 per-family maximum for the Activity Fee. Parents have the following options for payment of the activity fee:

- ❖ Pay the fee in full by August 31<sup>st</sup> of that year.

- ❖ Pay half by August 31<sup>st</sup> and half by December 31<sup>st</sup>.
- ❖ Have the fee added to your monthly FACTS tuition payment.

## **SAFETY AND SECURITY**

### **SECURITY PROCEDURES**

Politz takes every possible precaution to ensure the safety of our students. Our faculty and administration receive regular training in security and best safety practices. Exterior doors to the school are locked during the school day, and there are security cameras throughout the building. **DO NOT EVER PROP OPEN DOORS. DO NOT LET ANYONE INTO THE BUILDING WHEN YOU ENTER.** Members of the Cherry Hill Police Department make routine visits to the school to assess security needs. At this time, Politz has hired a full time security guard for the campus.

### **CUSTODY AND LEGAL PAPERS**

A copy of relevant, current legal papers must be kept on file in the office. Unless otherwise notified in writing, the school assumes that any parents / guardians listed on the Emergency Contact Form and school applications have legal custody of the student. All information will be held in strict confidence.

### **FIRE DRILLS AND LOCKDOWN DRILLS**

Lockdown drills and fire drills are held on a regular basis at Politz. Each drill is an opportunity to practice so that everyone can be prepared in the event of an actual emergency. Students are expected to conduct themselves in an orderly manner during drills, and to treat each drill as if it were an actual evacuation.

### **VIDEOS AND PICTURES OF STUDENTS**

A student's name and photograph may be used by the school in publications, audio and/or video materials, social media platforms,

and website(s), without compensation and without prior notice. Parents understand and they release and hold Politz harmless from any liability stemming from the use of the student's name or image(s). Please note: At the time of registration you indicated your preference for allowing us to use pictures of your child.

### **CALLING HOME**

Students are not permitted to call, text, or email home during the school day. They will need to remember to bring their homework, projects, and lunches, and arrange all after-school plans before they come to school. (This does not apply in the case of illness or other emergency situations.)

### **PERSONAL CELL PHONES AND TABLETS**

Cell phones and personal tablets (e.g. iPads) may not be used by students in school, on school grounds, or on class trips for any purpose. In case of emergency, students will be allowed to use the office phone to contact their parents. If a student's cell phone is used or heard on school grounds, the phone will be held in the office until a parent picks it up. *In the case of repeat violations, the school reserves the right to hold the phone for the remainder of the school year.* The school has procedures in place to contact parents in the case of a true emergency.

### **REPORTING OF ABUSE**

In compliance with New Jersey State Law, it is school policy that as mandated reporters, staff members who have a reasonable suspicion that a child is being abused, neglected, or endangered are required to report, without delay, to the proper legal authorities.

## FOOD AND HEALTH

### KASHRUT

As an Orthodox Jewish school, Politz is committed to maintaining a uniform standard of Kashrut. In order to enable all students to participate in school events, we ask that families adhere to the following guidelines:

- ❖ Food sent to school should bear one of the following national Kosher certifications:

- ❖ **Pas Yisrael/Chalav Yisrael** products are to be served at all school events involving students. *(Please consult the school office for clarification if needed.)*
- ❖ Absolutely no home-baked or home-cooked items may be distributed in school.
- ❖ Utensils may not be brought from home for use at school, other than for personal use.
- ❖ Pre-cut fruit should not be served to the class unless it is under rabbinic supervision.
- ❖ All products sent to school for student consumption at school events e.g. Birthdays, siyum etc. must be **Pareve and Pas Yisrael**.

### LUNCH

All Day School students and full-day Early Childhood students are required to bring a pareve or dairy lunch to school. Students may bring a meat lunch to school on Mondays (they will use a separate placemat for that).

### HEALTH AND WELLNESS

#### **COVID – As per the NJ State Health Department**

If you test positive - Regardless of a student or faculty member's vaccination status, if they have tested positive for COVID-19, then

they must isolate for 5 days from either the date their symptoms began or date of their positive test. If they are asymptomatic they can end isolation after 5 days and return to school, but they must wear a mask around others for 5 additional days. If they have symptoms and their symptoms are resolving after 5 days, they can end isolation and return to school, but they must wear a mask around others for 5 additional days. If they still have a fever or if their symptoms haven't improved, they should continue to isolate until their fever is gone for at least 24 hours and their other symptoms are improving. If they can't wear a mask, they must isolate for a full 10 days.

### Close Contacts

Regardless of a student or faculty member's vaccination status, if they have an exposure to COVID-19 they must wear a well-fitted mask for 10 days and get tested at least 5 days after the exposure (recently recovered persons do not need to test).

If symptoms occur, or if they test positive, they should immediately isolate for at least 5 days after the date when symptoms began or the date of the positive test result.

## **GENERAL HEALTH INFORMATION**

**Although regular attendance is vital to a successful school experience, it is equally important to keep students home when they display symptoms of a contagious disease or illness.** A child who becomes ill during the school day will be assessed by the office staff and/or school nurse, and we will contact parents to pick up the child. Parents/guardians are responsible for making childcare arrangements in the event of illness or injury that prevents their child from remaining in school. Please arrange pickup in a timely manner: sick children who remain in school risk infecting other children and require individual attention from our office staff.

### GUIDELINES FOR KEEPING STUDENTS HOME

The following state guidelines have been established to assist school staff in making decisions about when to send children home for health concerns. Students must stay home from school if they have:

- ❖ Vomiting due to illness– **return after 24 hours of no vomiting.**
- ❖ Diarrhea due to illness - **return after 24 hours of no diarrhea.**
- ❖ Temperature of 100.0° or higher (students may not return to school until they have been **fever-free for 24 hours with no medication.**)
- ❖ Positive culture for strep throat (*students may return to school after 24 hours of antibiotic treatment AND must be fever-free*)
- ❖ Presence of lice or nits in hair (*students must be rechecked prior to returning to school*)
- ❖ Injuries requiring medical attention
- ❖ Serious emotional concerns
- ❖ Symptoms of pink-eye
- ❖ Severe headache, earache, or abdominal pain
- ❖ Wheezing or coughing episode that cannot be relieved by prescribed medication
- ❖ Rash suspected or known to be contagious

### LICE

**Mandatory lice checks will be performed the week before the start of school.** Children will not be permitted to attend school until they have been cleared and determined free of lice and nits. If lice or nits are found on a student during the school year, parents must pick their child up from school immediately and remove all nits and lice. The student will not be allowed back in school until all lice and nits are removed. The student must be checked by the office before returning to class. If you find lice while your child is at home, please notify the school immediately. If a child has been found to have lice three times in a brief period, a doctor's note will be required in order for the child to return to school.

### **GENERAL HEALTH GUIDELINES**

- ❖ **Notify the office immediately if your child contracts a communicable disease such as COVID19, pink eye, strep throat, pin worm, head lice, or chicken pox so that we may communicate appropriately with the parent body. As always, privacy will be ensured.**
- ❖ If a student is to be excused from recess for any reason, or must remain indoors, a signed note from the parent / guardian must be given to the office.
- ❖ **DO NOT** give students medication to carry around with them. This is a safety hazard as the medication could be lost, stolen, or misused by the student or his / her peers.
- ❖ A school nurse from the Camden County Commission visits Politz regularly to conduct health screenings and to update students' medical information. The nurse conducts annual screenings for vision, hearing, and scoliosis (at the appropriate age).

### **TREATMENT OF SCHOOL-RELATED INJURIES**

The office staff takes care of minor injuries (e.g. scrapes, bug bites, bruises, etc.) with ice packs and/or band-aids. Parents will be notified of minor injuries at the discretion of the administration. When confronted with a more serious injury, our staff will make every effort to address the child's needs and contact the parents.

### **REQUIRED MEDICAL FORMS**

State law mandates that medical forms for each student be updated yearly and filed at school. If a student has missing or incomplete information, the school nurse may require that a student remain at home until their records / immunizations are fully up to date. In addition, every student is required to have on file in the office a current Emergency and Medical Authorization Form, which lists people to contact in case of emergency and enables the school to

properly handle urgent situations. If parents cannot be reached, in case of a true medical emergency our procedure is to call 911 and take the child to the nearest hospital. Whenever possible, we will contact your child's pediatrician and continue attempting to reach you.

### **MEDICATION ADMINISTRATION GUIDELINES**

The following rules for the administration of medication at school applies to BOTH prescription and non-prescription (e.g. Tylenol, cough syrup) medications in the school setting. NO medication will be administered unless the following requirements are met:

- 1) A written order from the physician to include the name of the student, name of the medication, dosage, and time the medication is to be administered at school.
- 2) Parent / guardian must complete a written medication form (available in the school office or online at [www.politz.org](http://www.politz.org)) releasing the school and its personnel from any liability thereof.
- 3) Medications are to be administered by a school nurse or designated responsible adult.
- 4) Medications must be delivered to the school by the parent / guardian. Students may not bring medications to school.
- 5) All medication must be in the original container and clearly labeled.
- 6) Controlled medications (e.g. Ritalin) require a thirty-day physician's renewal.
- 7) At the end of the school year, medications must be picked up at school by the parent / guardian. Any remaining medication will be destroyed.

### **FOOD ALLERGIES**

Politz will make every effort to accommodate children with food allergies. The following policy, which has been designed in

consultation with medical professionals, will ensure that every student can participate equally and safely.

### **POLITZ IS A NUT AWARE SCHOOL!**

*All food brought to school for parties or school events must be checked by the main office prior to distribution to students.*

#### **Nut Aware Policy**

- ❖ Politz does not restrict the food products students may bring to school for *their own personal consumption*. (There may be exceptions in certain grades made on a case-by-case basis.)
- ❖ Any food brought from home for parties or school events—as well as food bought by the school to sell or share with students—must be free of peanuts and tree nuts.

#### **Nut-Free Zones**

- ❖ In classrooms with children who have life-threatening food allergies, the classroom will be designated a **nut-free zone**.
- ❖ To minimize the exposure of at-risk students in a nut-free zone, you must not send your child to school with products containing peanuts or tree nuts for lunch or snacks.
- ❖ **Personal food AND shared food items for parties** items CANNOT say “may contain trace nuts / peanuts,” “made on equipment also used to process tree nuts / peanuts,” or any similar language.

Other allergies will be handled on a case-by-case basis at the discretion of the administration. Please remind your children that they are not to share food with other students, and encourage them to wash their hands before and after eating, including after breakfast. We will reinforce this practice in school. Parents of children with food allergies must provide the school with written documentation that details the allergy, its severity and extent, as well as an action plan in case of an allergic reaction.

## **SCHOOL ENVIRONMENT**

### **DRESS CODE**

#### **Preschool and Kindergarten**

Children in our Early Childhood and Kindergarten programs are actively engaged in learning experiences, and appropriate clothing is essential for your child's positive experience. We strongly suggest light, comfortable clothes and closed-toe shoes so that students can run, jump, and fully enjoy our playground and outdoor spaces.

#### **Grades 1 – 8**

Politz Day School is dictated by Torah and Jewish Law, and we seek to create an appropriate atmosphere for learning. Proper dress and grooming play an important part in the conduct and dignity of our school and are the responsibility of both students and parents. The Politz Board of Trustees has instituted the following guidelines for all students in Grades 1 - 8. Because good taste cannot always be defined in specific terms, the administration reserves the right to determine whether a student's dress properly reflects Politz standards. One senior staff member will be designated as the final arbiter. The dress code applies during school hours, including recess, gym, school events, school trips, Shabbatons, and after-school events. Clothing should be neat, clean, and have no holes. On special days (performances, recitals, events, etc.) throughout the school year, students will be asked to wear dark blue or black slacks or skirts and white shirts that otherwise conform to dress code requirements.

### **BOYS**

- 1) All SHIRTS must have sleeves that reach the mid-bicep. T-shirts (undershirts) may not be worn as outer shirts. No writing or pictures across the front or back or sleeves of shirts or outerwear such as sweaters or sweatshirts (small brand-name monograms are allowed).

The following shirts are not acceptable: low-cut tops (top of shirt may not be more than 3 fingerbreadths below the collarbone or sternal notch *of that student's own hand*) and inappropriate, tight-fitting tops. ### **BIRTHDAY PARTIES- *Preschool through 2<sup>nd</sup> Grade***

Students in may celebrate their birthdays at school by bringing treats to share with their entire class. ### **BAR / BAT MITZVAHS**

We are delighted to celebrate the occasion of your child's Bar / Bat Mitzvah and understand that some families choose to host weekday morning celebrations. To prevent potential disruption of our school schedule, students must arrive at school no later than 9:45am. Please keep this in mind when planning your celebration.

### **SCHOOL EVENTS**

Students may attend their sibling's school events e.g. Chumash play, Pre K move up day etc. Please understand that your child will miss class time and classwork. Students **MUST** return to their classroom

immediately after the presentation. Please come to the office to have your child called out of class.

### **LOST AND FOUND**

During the course of the school year, numerous items are found throughout the building and on the school grounds. Although we make every effort to find the rightful owner, this is not always possible. There is a lost and found bin located in the front entryway of the school. Please encourage your children to check the bin for missing items. At the end of the school year, all unclaimed lost and found items will be discarded or given for distribution to the needy. **PLEASE LABEL ALL ITEMS (INCLUDING JACKETS AND SWEATSHIRTS) AT THE START OF THE YEAR!**

### **CONFIDENTIALITY**

Confidentiality is critically important for a school to operate successfully. Our staff and faculty will not discuss children in public with parents, nor will they discuss children with anyone other than their teachers, parents, or guardians. **We ask for students' and parents' cooperation in maintaining confidentiality by refraining from discussing confidential matters in public venues, such as online or on Whatsapp.**

### **SOCIAL MEDIA POLICY**

**Parents may not discuss the school in a negative manner, including its personnel, Board of Trustees, or students on social media sites such as WhatsApp, Twitter, Facebook, etc. Such behavior undermines the entire Politz community and will lead to consequences imposed by the school administration or Board of Trustees up to and including removal from the school. Thank you for working with us to protect all of our students' privacy.**

**MEDIA INQUIRIES**

All media inquiries should be directed to the Executive Director, who will determine in conjunction with the Head of School how to handle inquiries in both crisis and non-crisis situations.

**POLITZ PARENTS TEACHERS ASSOCIATION (PPTA)**

The PPTA is a team of parents and community members who care about Politz Day School. Our mission is to:

- 1) **Be a voice for the parent body.** This includes active expressions of appreciation between the parents and school, and vice versa. It also includes constructive feedback and opportunities to open dialogue about desired changes and improvements in school policy, etc. where warranted.

## SUPPORTING POLITZ DAY SCHOOL

### PARENT GIVE OR GET OBLIGATIONS

- ❖ **What is Give or Get?** Politz must raise over \$700,000 each year in order to meet its budget. This funding helps provide for quality faculty, technology and resources for students, and tuition assistance for families with financial need. Our development team and Board of Trustees work extremely hard on fundraising throughout the year. Politz needs the help of our parents to reach its goal, and **Give or Get** is a standard way that Jewish Day Schools and other private schools ensure the school's financial stability and continue to provide a high level of education. **This year, the Give or Get obligation is \$750 for parents of students in Grades K – 8.** Each family must either Give these funds to the school or Get the money through other fundraising efforts. Politz relies on the roughly \$50,000 of its annual fundraising budget that comes through Give or Get.
- ❖ **What Counts towards Give or Get?** There are numerous ways to fulfill your Give or Get obligation. As a general principle, things that can be applied to the school's operating budget satisfy Give or Get. See below for specific examples. Please look at these opportunities and consider how you wish to fulfill your responsibility for the year. Many of our families go well beyond the \$750 Give or Get obligation, and we greatly appreciate the support of all parents.
  - 1) Parnas Hayom: sponsor a day, week, month or perpetual learning
  - 2) Annual Campaign Donations
  - 3) Event Sponsorship or Corporate Sponsorship
  - 4) Journal ads for special events
  - 5) Grandparent gifts
  - 6) Specific Goods or Services (Families can arrange to provide a specific service that the school would otherwise need to pay for, or provide goods that the school would otherwise need to purchase. This only applies to things that the school would need to pay for from its budget, e.g. electrical

work or painting. Goods or services must be approved by the administration in advance.)

- 7) Propose your own idea! We are always open to new fundraisers and ideas. Please contact our Executive Director with any suggestions.

### ❖ **Items that Do Not Count towards Give or Get**

- 1) Tickets to special events
- 2) Donations of goods or services for special events
- 3) Wish List donations at the Chanukah Dinner, or any other items purchased for a classroom (i.e. special requests outside of the operating budget)
- 4) Tribute Cards, Chanukah gifts for teachers, or other miscellaneous contributions under \$100
- 5) Eighth grade fundraisers

### **MORE WAYS TO SUPPORT POLITZ**

Throughout the year, Politz parents receive numerous requests for financial support. Here is a brief breakdown of what may be asked of you. These events and initiatives raise funds that benefit our students, generate school spirit and pride, engage the parent and student body, and build community awareness.

- ❖ **Parent Campaign:** Every year, parents are asked to contribute to the Annual Campaign, which supports the school's overall budget needs. It sends a powerful message to the community and major donors that Politz parents are invested in the school's financial success. Contributions can be given in any amount and can be applied to Give or Get obligations.
- ❖ **Parnas Hayom:** this program gives parents, grandparents, and community members the opportunity to dedicate a day of learning to commemorate a Yahrzeit or honor a birthday, anniversary, or *simcha*. Each dedication is prominently displayed throughout the school, sent to the community via email, and shared on Politz's

social media channels. To learn more, visit [www.politz.org/parnas](http://www.politz.org/parnas).

- ❖ **Politz Pillars:** A community-wide campaign asking community members to support Politz with a regular monthly donation. More information is available on our website.
- ❖ **Middle School Fundraisers:** An opportunity for our students to raise funds for their graduation trip, develop leadership skills, and learn how to manage a budget, these fundraisers are planned by the 8<sup>th</sup> Grade students, along with their parents and advisor, Mrs. Sammons. Fundraisers may include candy sales, holiday donuts, raffles, and jewelry sales. While these fundraisers are optional, our students greatly appreciate your support. *(Does not count towards Give or Get.)*
- ❖ **Amazon Smile:** Amazon Smile is a simple and automatic way to support Politz every time you shop, at no cost to you. Amazon Smile offers the exact same low prices, vast selection, and convenient shopping experience as Amazon.com, with the added bonus that Amazon will donate up to 7% of the purchase price to Politz. To do so, visit [smile.amazon.com](http://smile.amazon.com) and select Politz Day School of Cherry Hill as the recipient of your support. *(Does not count towards Give or Get.)*
